

BERING STRAITS NATIVE CORPORATION AGLUKTUK

May / June 2011

Seattle Area Shareholder Meeting

BSNC held an informational meeting for its Shareholders in the Seattle area on April 17. BSNC has approximately 390 Shareholders in the state of Washington and 233 people attended the informational meeting, which was an impressive turnout.

The Northwest Inupiaq Dancers began the meeting by welcoming the Board of Directors and staff and performing a few Eskimo dances. Chairman Henry Ivanoff welcomed all in attendance and the Board of Directors and staff were introduced. Gail Schubert, President and CEO, gave her report on BSNC and subsidiary operations, Wally Powers presented a financial report, and Matt Ganley reported on Land and Resource activities. Staff answered questions for the Shareholders. Director Steve Ivanoff presented a slide show and talked about his family living in Unalakleet and doing subsistence hunting and fishing activities.

Gladys Armstrong, who resides in Tacoma, was recognized as a recent recipient of the Elder of the Year from Golovin Native Corporation. The crowd gave her a standing ovation. Door prizes were drawn. A few of the Shareholders expressed their gratification for winning dry and smoked fish or BSNC jackets and vests, as they hadn't been home for some time. The Northwest Inupiaq Dancers performed again and invited the Board and staff to dance with them during the last song. See pictures on page 3.

Tahbone Crowned Miss Indian World

Marjorie Linne Tungwenuk Tahbone, a Bering Straits Foundation Scholarship recipient, was crowned Miss Indian World for 2011. She competed with 25 fellow indigenous ladies, including contestants from Canada and fellow Inupiaq Elizabeth Rexford from Anchorage, at the annual Gathering of Nations held the end of April. The Miss Indian World pageant originated in 1983 in Albuquerque, New Mexico. Indigenous, young women from all over North America compete for this most prestigious crown. Marjorie was selected as the most rounded woman after being judged in a traditional talent presentation, public speaking, private interviews with the judges, and a dance competition to powwow music.

Marjorie did her talent presentation on Traditional Native Games. She demonstrated the One-Arm Reach and the One-Foot high kick and explained how important these

Notice of Annual Meeting of Shareholders

Saturday, October 1, 2011 at 10:00 a.m. in Nome, Alaska at the Mini Convention Center

The meeting will also be viewable via live webcast. Watch your proxy packet for more information.

Shareholders who are at least 18 years of age and wish to run for one of the five Board of Director's seats open for election are requested to send a letter of intent, including current address, telephone number and a resume listing qualifications to the Nominating Committee.

Nominating Committee
Bering Straits Native Corporation
P.O. Box 1008
Nome, Alaska 99762

IMPORTANT- all letters of intent must be received by the BSNC office
by 5:00 p.m., June 14, 2011.

Greetings from the President & CEO

Spring is finally here and it's time for Spring subsistence activities to begin in our villages. As leads open in the ice, some hunters will head out to sea looking for walrus, oogruck and other kinds of seal, while other hunters will start hunting migratory birds that return to our region to nest. When the birds start nesting, that provides another good Springtime staple in many of our homes — bird eggs. Spring hunting gives us the opportunity to replenish our food supplies while we enjoy engaging in the subsistence activities that have sustained us for thousands of years.

The BSNC Board recently hosted a shareholder information meeting in the Seattle area, which was a tremendous success. We had approximately 233 shareholders who attended, some of whom had moved from our Region more than fifty years ago. They appreciated the opportunity to meet with the Board and each other, and get an update on our operations and finances. We were fortunate to have an Inupiat dance group, led by Thomas Octuck, Sr., perform for us. In addition, we had two shareholders who were over ninety years old who attended the information meeting. We learned that many had watched our last annual meeting over the internet when we webcast it for the first time ever, and expressed strong support for webcasting future annual meetings. We intend to webcast all our future annual meetings. In addition we plan to implement online voting so that our shareholders can vote their proxies online for the next annual meeting in October. More information on the process for online voting will be provided closer to the date of the annual meeting.

BSNC's major source of revenues continues to be earned from the SBA 8(a) and Small Business Programs. Alaska Native Corporation participation in the SBA 8(a) Program continues to face repeated attacks from certain members of Congress who wish to bar our participation in the Program. Given the importance to BSNC of government contract revenues, management has been very active in efforts led by the Native American Contractors Association and the Alaska Federation of Natives to help defend our participation in the 8(a) Program. Thanks in part to revenues earned from our government contracting efforts, we recently pledged \$200,000 to the Kawerak Cultural Center which will be constructed in Nome. We also significantly increased our contributions to the Northwestern Alaska Career and Technical Center and the Bering Straits Foundation, in support of shareholder and descendant education and training. The recently adopted shareholder bereavement program is also supported by earnings from government contracting. This program provides original shareholders and certain of their family members with a \$500 bereavement payment to help cover funeral expenses, and has proven very helpful to our families in need. Almost 100 families have received assistance under the bereavement program since its adoption.

May is graduation month, and on behalf of BSNC staff and the Board of Directors, I would like to extend our sincere congratulations to our shareholders and descendants who are graduating from high school, college, and graduate school. We are all proud of your accomplishments.

I would also like to congratulate the newly crowned 2011-2012 Miss Indian World Marjorie Tahbone, who will be the tribal ambassador for more than 500 different nations in the continental U.S., Alaska, Hawaii and Canada for the next year. She sealed her win with a demonstration of Alaska Native games, including the one-arm reach and one-foot high kick, explaining that the games were traditionally important for survival and strength. Marjorie is a student at the University of Alaska Fairbanks double majoring in Biological Sciences and Alaska Native Studies with a minor in Inupiaq language in Alaska Native Studies, and a Bering Straits Foundation scholarship recipient. She is of Inupiat and Kiowa Indian heritage, and the daughter of Sandy Tahbone, a BSNC shareholder, and Carlton Tahbone, of Nome.

Happy Spring everyone! BSNC management and the Board hope you all have a successful, happy and safe Spring season!

Seattle Area Shareholder Reception

L to R: 233 shareholders who attended the Seattle area Shareholder Informational Meeting in April.

OLDEST SHAREHOLDERS AT THE MEETING: Daniel Kraft who is 91 years young and Juanita "Bunny" Huffer who is 78 years young.

Gladys Armstrong was recognized at the meeting for being selected as former Elder of the Year by Golovin Native Corporation.

Door Prize Winners

Jackets/Vests: Sarah Ringstad, Catherine Williams, Charmi Olson, Cathy Miller, Ervin Clark, Florence Lister, Leslie Gray, Juanita Huffer, Glenda Wiggins, Susan Emery, Ryan Cole, Mary Martin, June Lysell.

Dried Fish: Florence Ayek, Frank Reale, Angela Rave, Sophia Strickland, Ronald Armstrong, Frederick Kraft, Rebecca Mann, Lawrence Amarok.

Smoked Fish: William Jarvinen Jr, Brenda Lehman, Bruce Andrews, Caroline Brown, Karl Kraft, Daniel Kraft, Fred Greene, Einar Douglas, Fred Eningowuk, Robert Armstrong, Robert Cole.

\$50: Leah Walters.

\$100: Beatrice Pierce, Fred Greene, Ervin Clark, Lonnie Gooden, Julie Mitchell, Jenny Walters, Cynthia Hubble.

Alaska Airlines Mileage Tickets: Theodore Ringstad, Penny Octuck-Cole, Arvid Franzen.

The Northwest Inupiaq Dancers performing the "Raven Dance."

Lucille Kugzruk Promoted to Stockholder Registrar

Shareholder Lucille Kugzruk was promoted to Stockholder Registrar in August 2010. Lucille began her career

in the Shareholder Department as the Assistant Shareholder Registrar back in November 2009. Prior to working in the Shareholder Department, Lucille worked as Accounts Payable Clerk in the Nome office. Lucille enjoys working with people, which is a great attribute for working in the Shareholder Department.

In her new position, Lucille oversees the Shareholder Department, which includes the Assistant Shareholder Registrar and the Shareholder Technician. Lucille primarily works on transferring shares of deceased shareholders and ensuring the day-to-day operations of the department runs smoothly.

Prior to working for BSNC, Lucille worked five years in customer service and customer service management and five years in the accounting field. Speaking of her experience, "My prior work experience helps me to handle Shareholder inquiries with professionalism and also maintain the Shareholder records with accuracy," said Lucille.

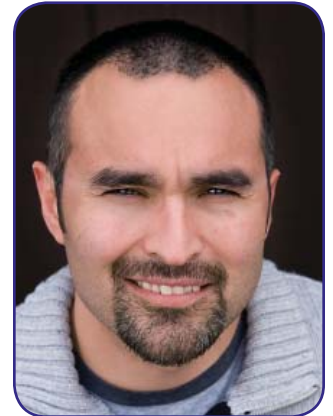

Lucille has four children, Keon, Kylie, Karis, (pictured with Lucille in the photo to the left) and Kasen. Her parents are stepfather John and Dolly Okleasik of Teller. She enjoys reading, playing volleyball, and spending time with her family.

Larry Pederson Promoted to Land & Resource Manager

BSNC shareholder Larry Pederson was promoted to Land and Resource Manager in April. Larry was hired as the Land and Resource Assistant in December 2008. His responsibilities include assisting Matt Ganley, Land and Resource Vice President, in the daily Land and Resource Department activities. Currently, Larry assists in managing Cape Nome material sales, gravel sales throughout the region, equipment management for subsidiaries, and daily activities such as filing, billing, office organization and assisting customers and shareholders with land and resource needs. He also works with land records, maps, and operates and manages the Snow Cat Tours and Cottonwood Cabins at Pilgrim.

Prior to coming to BSNC Larry worked for six years at Bristol Environmental and Engineering Services in Anchorage as an Environmental Scientist/Specialist and two years with NovaGold Nome Operations at the Rock Creek Mine as Environmental Supervisor/Sr. Coordinator.

"I am looking forward to the challenges of helping manage our lands and resources while protecting our culture and heritage. I will continue learning and attempt to benefit you the shareholders to the best of my ability and as well as work more with the village corporations on land and resource issues" said Larry of his recent promotion at BSNC. Larry can be called at (907) 443-4312 or emailed at lpederson@beringstraits.com.

Seeking Shareholder Email Addresses

BSNC has upgrading its shareholder records computer system and is asking shareholders to provide BSNC with their email address. With the upgraded computer system BSNC is able to email shareholders the Agluktuk and other important information. Please use the Shareholder Name and Address Change Request form to provide BSNC with your email address, which is included in the newsletter.

Shareholder Christian Leckband to Join the UAA Seawolves

Shareholder Christian Leckband signed a National Letter of Intent to play basketball with the Seawolves at the University of Alaska, Anchorage (UAA) on May 4. He is the Seawolves' first recruit for this upcoming season. UAA is a NCAA Division II school that competes in the Great Northwest Athletic Conference (GNAC). Other GNAC institutions are Western Washington, UAF, Western Oregon, Simon Fraser, Northwest Nazarene, Central Washington, Seattle University, Saint Martin's University, and Montana State-Billings.

Christian started playing basketball when he was six years old. When he moved to Nome, at the age of 11, he got more serious about the sport. His seriousness and dedication to the sport of basketball has definitely paid off as he earned a spot on the Seawolves team and the opportunity to obtain a higher education. While at UAA, Christian plans on obtaining a degree in Human Services. After obtaining his degree he'll further his education by going to Physical Therapy school to become a Physical Therapist.

"I am very excited to join the Seawolves. I've had a lot of interest in them since my junior year; I like all the coaches and had the opportunity to meet most of the players. They are a great group of guys and I can't wait to join the family," said Christian.

Christian played with the Nome-Beltz Nanooks varsity team for the last three years. He has helped lead the Nanooks to a 70-17 record and three straight State Tournament appearances. Christian's senior year was an awesome year for him on the court. He was selected to the All Tournament teams at the following tournament: ACS, Subway Showdown, Alaska Airlines Classic, Alaska Prep Shootout, Valdez Tournament, and the Western Conference Tournament. He earned the Most Valuable Player for the Western Conference. At the State Tournament he was chosen Class 3A Player of

Christian receiving a bear hug from his aunt Tissy with his family, left to right, aunt Birdie, uncle Rick, father George, and sisters Crystal and Stephanie, when he was honored before the start of his last home game as a Nanook.

the Year. He led the Alaska Prep Shootout and the Alaska Airlines Classic in scoring.

"We expect him to develop into one of the better players in our conference," Seawolves coach Osborne said in a press release. "Although he has had a lot of success already, we truly believe that his best days are ahead of him. He is a very good athlete who can shoot the ball, but also attack the basket."

Christian is the son of the late Diane "Oopa" Warnke and George Leckband of Nome. His grandparents are Virgil and shareholder Marge (Apok) Warnke of Nome and George Sr. and Anna May Leckband of Texas.

~continued from page 1

Tahbone Crowned 2011 Miss Indian World

games were in learning skills of survival in our climate. The crowd and judges enjoyed her presentation and she was selected as the recipient for Best Traditional Talent.

Going from being crowned Miss ANB, to Miss WEIO, and now Miss Indian World within one-year is a huge accomplishment for Marjorie and one all of us should be proud of. One thing that kept Marjorie moving forward is *believing in herself*. "Staying optimistic and positive has really helped me get where I am at today. Whenever someone or something is trying to pull me down or throw me off my groove I always think to myself someone could have it worse."

Marjorie is very gracious for the support she's received and those that helped her fund raise in order to make it to the competitions. "I would like to thank my family for all their

support especially my mother who was my chaperone while I was at WEIO and the Miss Indian World pageant. She has been there the entire way and I couldn't have done it without the support of her and my family."

Marjorie, 22 years old, is the granddaughter of Lillian and Linne Rose, daughter of Sandy, a BSNC shareholder, and Carlton Tahbone of Nome. Marjorie is half Inupiaq from her mother's side and half Kiowa from her father's side. She graduated from Nome-Beltz High School in 2007 and is currently attending the University of Alaska Fairbanks. She is working towards a double major in Biological Sciences and Alaska Native Studies with a minor in Inupiaq language and plans on graduating in May 2012.

Another Successful BSF Art Auction

The Bering Straits Foundation 8th Annual Arts Auction was held on Friday, March 18, 2011 at the Nome Eskimo Community Trigg Hall. There were over 150 hand crafted arts and crafts that were donated to the event. The works included fine original paintings, kuspuks, ivory carvings, bone carvings, masks, jewelry, jars of pickled beluga and much, much more. Richard Beneville was the auctioneer and did a truly wonderful job. He had intimate knowledge of the artists and kept the crowd laughing and bidding.

The evening began with a mouth-watering home cooked spread of moose, reindeer and musk ox stews, and desserts all available for just \$5. The silent auction ran continuously throughout the evening and had 80 arts & crafts pieces. The items included numerous hand knit items, jewelry, books, jam, and more.

Raffle tickets were also sold throughout the night and were available for \$1. The raffle items included a round-trip ticket

Brian Randazzo Shines at NYO, Jr. That Is

Brian Randazzo, Jr. broke the Native Youth Olympic (NYO) record for the two-foot high kick when he kicked an impressive 8 feet and 5 inches on April 30. Many of you probably know of the other Brian Randazzo, Sr., his father, who holds the world record for the two-foot high kick at 8 feet and 8 inches. Brian Sr. is a legend himself and now his son is following his footsteps.

Brian Jr. learned Native games as a young boy and participated in the Junior NYO events during elementary school. He quit playing for a while and recently, during his senior year in high school, started again. This past November he enrolled in the Alaska Native Heritage Center After School Native Games program. There, he discovered his ability to high kick with the help of his coach, Casey Ferguson of Chevak. In January 2010 he won the one-foot high kick at the Alaska Native Lutheran Church's New Year's Eve gathering. At the Anchorage NYO Preliminaries this past March he earned his place on the Anchorage NYO Team.

on Bering Air, numerous jackets, 50 gallons of heating fuel and more. The live auction began at 5:30 p.m. Some of the highest selling pieces included an original painting by acclaimed artist Percy Avugiak titled "Whale Dance", a Laura Wright parka donated by Theresa MacDonald, and Alaska Airlines tickets donated by BSNC.

The event was well attended and much fun was had by all. The event raised over \$7,000 for the Bering Straits Foundation scholarship and fellowship programs.

All donors and volunteers names were put in a raffle for an Alaska Airlines ticket and the winner was Vince Pikonganna, who has donated his masterful carvings every year.

Quyanna Vince and congratulations! A big Quyanna to our 2011 BSF Annual Art Auction donors and volunteers.

"Whale Dance", an original painting made and donated by Percy Avugiak of Anchorage.

At the 2011 Statewide NYO competition Brian Jr. earned the gold medal in the one-foot high kick, reaching 9 feet and 3 inches, and in the Indian Stick Pull as well as receiving the Outstanding Male Athlete Award and the Male Sportsmanship Award.

Brian's parents couldn't be prouder of their son's recent accomplishments in Native games. "Brian's high kicking abilities have been a wonderful, unexpected gift that our son has been given. We are grateful to God for his athletic talents. We know that they will help him to grow into a confident and strong young man," said Brian's mother Sheila.

With good reason Brian Jr. is excited to participate in a variety of Alaska Native game venues throughout the future, including World Eskimo Indian Olympics and Arctic Winter Games. "He is happy for his new found gifts. He is young and has much to learn. We will see where his Native games talent will take him," said his mother.

New Employees at the Nome Office

Angela Hukill was hired in December as the new Receptionist for the Nome office. Besides answering the phone, she greets all visitors, sorts and delivers mail and packages, arranges travel for board and staff, purchases office supplies, is responsible for keeping the phone system, fax machines, and copiers running, and assists staff with filing and typing.

“I love my job because it is faced paced and I always have something to do,” said Angela. Angela is a people person and enjoys meeting new people, which is a great attribute to being the receptionist. She enjoys helping people and doesn’t mind joking around to keep the office fun and upbeat.

Prior to working at BSNC she was employed by Kawerak as a Family Advocate for the Head Start Program. In her spare time she enjoys visiting around and being lazy when she can.

Angela is married to BSNC Shareholder Otis Hukill. They have three beautiful children, Tasha, 14 years old, Liam 10 years old, and Asa May, 5 years old. She is the only daughter of Morris and Gertrude Toolie, Sr. of Savoonga and the sister to seven brothers.

Renee Parker was hired as Shareholder Technician in March. Working in the Shareholder Department she works with Shareholders in updating their contact information, sending out Wills, and processing enrollment and payment verification requests. Prior to working for BSNC she worked a little more than four years at Subway.

“I like the people I work with and the working environment is great,” Renee said about her new job with BSNC. Renee said she enjoys the experience she’s getting as her new job allows her to work with customers hands on.

Away from work Renee enjoys volleyball and basketball. She was the Jr. High Assistant Coach during her senior year in high school. She also enjoys the outdoors, especially camping, four-wheeling, swimming, hiking, combing the beach and berry picking.

Renee is the daughter of Ron and Martha Parker and she has three brothers, two sisters, five nephews and a niece.

Notice: Access to Pilgrim Hot Springs

The public is hereby notified that the property known as Pilgrim Hot Springs is owned by Unaatuq, LLC. Bering Straits Native Corporation is the managing partner of Unaatuq, LLC and all visitors to the Springs are required to obtain a permit before travelling to the Springs. No hunting or fishing is allowed on the property, and any vandalism and/or unauthorized use will be prosecuted. To obtain a permit for visiting the Springs, please contact BSNC Land and Resource Department at (907)443-4312 or (907)443-5252. Permits may also be obtained through the Nome Visitors Center.

Help Locate Missing Shareholders

BSNC is dedicated to keeping in touch with our Shareholders and wants to ensure they can be reached for future newsletters, notices for annual meetings, and distributions.

Below is a list of Shareholders that we do not have accurate mailing addresses for. If you know any of the people listed,

please ask them to contact the Shareholder Department or complete the Shareholder Name & Address Change form that is included in this newsletter. If you believe any of the Shareholders listed to be deceased please notify the Shareholder Department by calling 800-478-5079 or 907-443-5252.

Do You Have a BSNC ANCSA Stock Will?

When a Shareholder passes away without having executed a will, the shares will be transferred to heirs in accordance with the laws of interstate succession under Alaska Statutes. This segment of the Alaska Statutes is very specific in determining the inheritors of stock. The end result may not exactly reflect what the Shareholder may have verbally stated to family members or friends. The method for making sure your ANCSA stock goes to whom you want it to go is to complete an ANCSA stock will form. With this form you can designate exactly whom you want your stock transferred to when you pass on. BSNC has

blank will forms available for the disposition of BSNC corporation stock.

Updating ANCSA stock wills

A Shareholder can update their ANCSA stock will at any time. For example, as time goes on, you may have additional children you want to add to your will, or you may want to delete someone from a previous will. When determining inheritance, the most recent (latest dated) valid will specific to the disposition of ANCSA stock will determine who inherits your shares.

Board Contributes to \$300,000 to NACTEC

The BSNC Board of Directors recently contributed \$300,000 to Northwestern Alaska Career and Technical Center (NACTEC). NACTEC is a joint-venture regional vocational training center designed to provide Bering Strait School District and Nome Public Schools high school students with the necessary resources and skills for employment opportunities, the pursuit of postsecondary education, and independent living skills through instruction in four focus areas: career and technical skills, career exploration, life skills, and work readiness skills.

NACTEC recently held a session on Renewable Energy "Going Green." Six high school students built a wind turbine, studied solar panels with photo-voltaic cells, rejuvenated batteries and stored their own electricity, learned how AC/DC current works and how it applies to renewable energy.

With the cost of electricity running about \$0.35 per Kilowatt Hour (Kwh) in Nome, and even higher in surrounding villages on the Seward Peninsula, the need for alternate forms of energy are in demand. NACTEC will continue providing Renewable Energy career exploration opportunities and then connect students with post-secondary training programs to build a regional workforce for jobs that are currently outsourced. Trained technicians in every village would be a wonderful outcome.

Green Energy Solutions

Open Monday – Friday,
from 1 p.m. – 5 p.m.

Located in the BSNC Building
at 110 Front Street in suite 203.

If you live in the villages, you may call 443-5254 to order items and learn how you can reduce your energy costs.

Products For Sale

- Compact fluorescent bulbs of many varieties
- Wide range of LED bulbs and fixtures
- Indoor composting units
- LED grow lights
- Engine Block heater timers
- Occupancy sensors
- Home energy meters
- Holiday LED lights
- Solar PV panels
- Solar Hot Water Collectors
- Small/Large Wind Generation
