## Stock Will Drive, Your Chance to Win \$200

The BSNC board of directors recently approved a Stock Will Drive that provides a monthly drawing of \$200. The Stock Will Drive is an incentive for shareholders to have in their BSNC file a current Stock Will, whether it is a first one or a revised one. Each month BSNC will draw a lucky winner to receive \$200 from those shareholders that submit a new or revised Stock Will during the previous month.

### Why Submit a Current Stock Will?

Some people find it easy to think about wills, while others prefer to avoid the subject entirely. *Having a Stock Will on file with BSNC lets you control who will inherit your stock after your death.*

If you die without a Stock Will, your stock will be distributed according to state laws, which may not be your intent or your wish. If you have a valid Stock Will on file, you control the decision on who will inherit your stock.

Some people use a simple approach and designate one person, perhaps a spouse to receive their entire stock while other people choose to divide their stock and give it to several people.

~continued on page 4

**AND THE LUCKY WINNER IS?** Gail Schubert picked Joann Katchatag of Golovin, the first winner of the \$200 Stock Will Drive. Warren A. Olanna from Brevig Mission is the July winner and Holly Reimer from Anchorage is the August winner.

**The BSNC Annual Meeting of Shareholders has been re-scheduled to Saturday, November 5, 2011 at 10:00 a.m. in Nome, Alaska at the Mini Convention Center**

**See page 6 for more information.**

## Shareholder Dividend to be Mailed in December

The BSNC Board of Directors declared a shareholder dividend of \$2.35 per share at its regularly scheduled board meeting on August 18 in Unalakleet. Most shareholders will receive a check in the amount of \$235 for owning 100 shares.

BSNC showed record operating revenues of nearly \$200 million for fiscal year ended March 31, 2011, an increase of \$12.5 million from 2010.

The dividends will be mailed in December. The Shareholder Department kindly requests that all address changes be received in the Nome office no later than November 15. A Shareholder Name and Address Change form is included on page 10.

## Greetings from the President & CEO

Summer is a busy time of year for most of us, and I hope that everyone has had an opportunity to put fish and berries away for winter. This has also been a busy time for BSNC, and there have been several recent developments which impact our region and possibly our company.

First, NovaGold has moved forward with plans to deconstruct the Rock Creek mine located outside of Nome and reclaim the land. We have been working with Sitnasuak Native Corporation (SNC) management, external experts and lawyers to ensure that any reclamation that occurs at Rock Creek is done in a manner that protects the land and BSNC and SNC as landowners. SNC owns the surface estate, and BSNC is the subsurface owner of the land on which much of the mining facility is located. BSNC has a contractual preference under our lease agreement with NovaGold which gives us the right to perform certain work needed by that company. We intend to perform as much of the reclamation work as possible with one of our business partners.

Another major development has been the adoption by the Alaska Redistricting Board of the new electoral district boundaries in response to population changes determined by the 2010 U.S. Census. BSNC management closely followed the redistricting process, providing written and oral testimony at several redistricting hearings held around the state. We supported a plan for our region which included all of the villages in our region, St. Lawrence Island, and several villages on the Yukon which border our villages in the south. However, in part because of the requirements of federal law, our electoral district stretches from the west coast of Alaska to the Canadian border, and down along the border to the beginning of the southeast panhandle. It is the largest electoral district by land mass in the state, and the individuals who represent our region in the state Legislature will have a diverse population and wide variety of interests to represent.

BSNC has also participated in several meetings and hearings being held on the increasing amount of vessel traffic through the Bering Strait as the northwest passage opens due to the receding polar ice cap. Our villages border what is commonly referred to as the “choke point” in the Bering Strait because of the relatively narrow distance between our communities and the communities in Siberia. Our region has already experienced unexpected visits from large cruise ships, which are passing through the Northwest Passage in greater numbers each year than before. BSNC management has made this development one of our top priorities because we want to try to ensure that the subsistence practices of our villages are not destroyed by shipping and other traffic through the Bering Strait. While we can’t prevent vessels from traveling through the Strait, we can work to ensure that our concerns about the impact on subsistence hunting and fishing are heard.

There are also business and other economic opportunities that may arise from the eventual opening of the Northwest Passage to partial-year or even year-round traffic. Many of the other northern countries have already begun to construct the necessary infrastructure, such as ports, airports and roads, to prepare for the anticipated increase in shipping and other traffic through the passage. Our country has not yet identified the need for infrastructure development and therefore has not provided any funds for development. This may however present opportunities for private industry to invest in the necessary infrastructure, and BSNC is working to ensure that we take advantage of this opportunity. While the eventual opening of the Northwest Passage will present challenges to our region, it will also present opportunities for us.

BSNC staff hopes that everyone has a safe and enjoyable summer. Thanks very much for your continued support and interest in our corporation.

Gail R. Schubert, President & CEO

## Dana Sherman Promoted to Stockholder Registrar

Shareholder Dana Sherman was promoted to Stockholder Registrar in August. Dana was hired as Assistant Shareholder Registrar in November of 2010. "Dana has done a great job and continues to do so in the Shareholder Department. Dana has proven to be a great addition to our staff here in the Nome office," said Peggy A. Hoogendorn, VP of Administration and Shareholder Relations.

In her new position Dana oversees the department which includes the Shareholder Technician I and II. She is also a notary public which allows her to notarize shareholder forms. "My main area of focus is transferring shares of deceased shareholders and also ensuring that the daily duties of our department run smoothly. I have embraced the challenge of this new position and am excited to learn and grow from this experience as I truly enjoy working with people of our region."

Prior to working at BSNC she was employed as the Front Office Coordinator for NSHC Audiology for almost five years. She's also a licensed Massage Therapist and the head coach for the Nome Beltz Varsity Cheerleaders.

Dana is the daughter of Jake and Glenda "Tuna" Sherman, of Nome; granddaughter of Eva Ryan and the late Wilfred P. Ryan, of Unalakleet and the late James and Elizabeth Sherman of Candle. She enjoys being outdoors berry picking, camping and fishing, but most of all, being a mother to four year old Andy.

## Leila Smith Promoted to Receptionist/Shareholder Relations

Leila Smith with her two of her sons, Daniel Smith Jr. (left) and Brett Z. Smith (right).

BSNC shareholder Leila Smith was hired in Anchorage as the Receptionist in December 2009 and was promoted to Receptionist/Shareholder Relations in May 2011.

Leila's new responsibilities allow her to assist our Anchorage area shareholders with BSNC forms and questions that they have. Shareholders in the Anchorage area can work with her to complete Change of Address, Inheritance Questionnaire and Affidavit, Bereavement Assistance, Shareholder Wills, Gift of Stock and BSF Scholarship forms. Leila is a notary public, which allows her to notarize shareholder forms.

Leila Smith is the daughter of Eric Tetpon Jr. of Shaktoolik and Lillian Hanaka of Mary's Igloo. Leila was born in Anchorage and raised in Shaktoolik, Unalakleet and Anchorage. She graduated

from Career Academy's Business Office Program and has lived in Anchorage for many years. She is married with four children, (three sons and one daughter) and enjoys fishing and spending time with family. "It's been a great experience working with my corporation as the Receptionist/Shareholder Relations.

## Jackie Reader hired as Shareholder Tech II

Jackie Reader, descendant of shareholder Stacey Green, was recently hired as Shareholder Tech II in the BSNC Nome office. She is responsible for screening phone calls to the Shareholder Department, processing and filing shareholder correspondence and maintaining the shareholder records. "So far, I really like the friendly work environment and I'm excited I get to work hands on with people and get more experience working in an office," said Jackie of her new position at BSNC.

Jackie has prior experience working with people, which is a great asset for working in the Shareholder Department. Jackie previously worked for Bonanza Fuel as the receptionist and for Alaska Commercial Company as a customer service representative.

When not at work Jackie enjoys helping out with the cheerleading squad, spending time with her friends, crocheting, singing, reading, snowmachining, and spending time with her dog Lady at the beach. Jackie is the daughter of Mary Reader and Stacey Green and sister of Miles Reader and Brittney Carpenter.

## LeAnne O'Connor Hired as Account Receivable Clerk

LeAnne O'Connor, daughter of shareholders Dennis and Dorothy O'Connor, was recently hired as a part-time Accounts Receivable Clerk in the Nome office. LeAnne's responsibilities include billing for Stampede Ventures, Inc., Aurora Inn and Bering Straits Development Company.

Prior to working for BSNC she was employed by Sitnasuak Native Corporation as its accounts receivable clerk and receptionist. Currently, she is also employed by Arctic Native Brotherhood as its part-time manager. When she is not working LeAnne enjoys spending time with her family and camping.

## Stock Will Drive ~continued from page 1

If you die without a Stock Will on file, Alaska state law will divide your stock as follows.

- **Married and have children**  
Your stock will automatically transfer to your surviving spouse and children. Your spouse will receive 50% of your stock and your children will split the remaining 50%.
- **Married and do not have children**  
Your shares would transfer to your surviving spouse. Your spouse would receive 100% of your stock.
- **Not married and do not have children**  
Your shares would transfer to your surviving parent(s). Each parent would receive 50% of your stock or one surviving parent would receive 100%. If both parents were deceased your stock would be divided among your brothers and sisters.

Listed above are the simplest examples of transfer of stock according to state law. Quite often, transfers

## I Need Proof of Native Blood

Many institutions that provide native services, especially in health care, require that you provide proof of native blood. We have had shareholders call our office stating that they need documentation in order to be seen at IHS health clinics.

We encourage all our shareholders and descendants to obtain a Certificate Degree of Indian Blood (CDIB) which is an accepted at all IHS facilities. This document is issued by the Bureau of Indian Affairs (BIA).

BIA phone numbers in Alaska:

907-271-4088 or 800-645-8397, press 2 (Juneau)  
907-271-4088 or 800-645-8465, press 1 (Anchorage)  
907-456-0222 (Fairbanks)

under state law require extensive research for surviving family members. Frequently family members cannot be found, making the transfer a lengthy process for everyone that can take years to complete.

If you already have a stock will on file with BSNC, you should review it periodically to make sure it reflects your current wishes. You should also review it when there has been a change that might affect your wishes as reflected in your current will such as death, marriage, divorce, birth, or adoption.

A BSNC Stock Will is on page 9 of this newsletter. BSNC Stock Wills can also be obtained from:

## Seeking Shareholder Email Addresses

BSNC has upgraded its shareholder records computer system and is asking shareholders to provide BSNC with their email address. With the upgraded computer system BSNC is able to email shareholders the Agluktuk and other important information. Please use the Shareholder Name and Address Change Request form to provide BSNC with your email address, which is included in the newsletter.

## Bering Straits Foundation Scholar Highlights

### Richard Tootkaylok-Schulling

Shareholder Richard Brian Tootkaylok-Schulling is the son of the late BSNC shareholders Russell and Betty Tootkaylok of Solomon. Richard graduated with a certificate in Facility Maintenance Construction and Trades program on May 26, 2011, from AVTEC in Seward. He received basic training in maintenance and construction practices in carpentry, plumbing, heating, and electrical systems in a 10 month period.

In January, Richard will continue his education in AVTEC's Plumbing and Heating program. This program is a five month course that will prepare him to install, maintain, and repair heating, ventilation, and air-conditioning system as well as to install and maintain plumbing systems.

"I am very grateful for the scholarships I received from the Foundation which assisted me in making my educational goals a reality," said Richard.

### Amber Otton

Shareholder Amber Otton is daughter of BSNC shareholders Darrin Otton, formerly of Unalakleet, and Sherry Otton of Nome. Amber graduated from Nome Beltz High School in 2008 and recently completed her junior year at the University of Alaska in Anchorage.

Amber will be transferring to Montana State University-Northern in Havre, Montana this fall. She will be majoring in Biological Science and is leaning towards pre-med and so that she could return home as a doctor.

"I have always wanted to go to college and work my way towards becoming a doctor, and the Bering Straits Foundation has helped me do just that. I could not be more thankful for the Bering Straits Foundation scholarship, because they have turned my goals into a reality."

### Marjorie Tahbone

Marjorie Tahbone is daughter of Carlton Tahbone and BSNC shareholder Sandy (Tungwenuk) Tahbone. Marjorie graduated from Nome Beltz in 2007 and is attending UAF studying Biological Sciences and Alaska Native Studies. She will be graduating next year with a double major in Biological Sciences and Alaska Native Studies with a minor in Inupiaq Language.

Marjorie was given the enormous honor of being crowned Miss Indian World this past April in Albuquerque, New Mexico at the Gathering of Nations Pow Wow. She will continue with her studies while holding her title and traveling the globe attending cultural events and promoting all American Indian and Alaska Native people.

### Notice: Access to Pilgrim Hot Springs

The public is hereby notified that the property known as Pilgrim Hot Springs is owned by Unaatuq, LLC. Bering Straits Native Corporation is the managing partner of Unaatuq, LLC and all visitors to the Springs are required to obtain a permit before travelling to the Springs. No hunting or fishing is allowed on the property, and any vandalism and/or unauthorized use will be considered trespass. To obtain a permit for visiting the Springs, please contact BSNC Land and Resource Department at (907)443-4312 or (907)443-5252. Permits may also be obtained through the Aurora Inn or the Nome Visitors Center.
