 - **Employment or Financial Hardships.** This includes financial loss resulting from job loss (including resignation to provide care for family members), decreased work hours, furlough, unpaid leave, lost small business income, lost rental income, and similar costs.
 - **Housing Hardships.** This includes the current or previous need (between March 1, 2020 and Dec. 31, 2021) for housing assistance to avoid foreclosure or eviction due to financial hardship, or increased household expenses including, but not limited to, utility costs (e.g., electricity, gas, propane, firewood, water, sewer, waste disposal, internet, and phone costs, and/or other costs).
 - **Food and Nutritional Hardships.** This includes expenses due to the increased cost of food, groceries, and/or meals and nutrition necessary for your health while following public health mandates and recommendations related to COVID-19. This includes increased expenses related to food security issues caused by supply-chain issues, such as purchasing subsistence materials (e.g., fishing gear; bullets; buckets; canning supplies; and other subsistence-related costs).
 - **Childcare or Dependent Hardships.** This includes increased expenses for child or dependent care due to school, daycare, or programming closures, and/or expenses related to online learning and/or maintaining and supporting the educational needs of school-age children (including post-secondary school) because of changes made by schools in response to COVID-19.

- **Submit a completed application.** Applications will be accepted until Oct. 29, 2021. All approved applications will be processed for payment on Dec. 7, 2021. Each Shareholder should submit only one program application to BSNC.

If you believe that you, or a minor on whose behalf you would apply, qualify for the BSNC Direct Care Assistance Program as indicated in the checklist above, please take note of the following additional information:

- Completed applications may be submitted on the MyBSNC shareholder portal at <https://shareholder.bsnc.net/home>, mailed to **Bering Straits Native Corporation, Attn: BSNC CARES Act Direct Assistance Program, 3301 C Street, Suite 100, Anchorage, Alaska 99503**, or by submitted via email to bsnccares@bsnc.net. Failure to submit the required information will delay processing and may cause the application to be denied. THE DEADLINE TO APPLY IS OCT. 29, 2021.
 - Receiving funds under this program may impact other needs-based benefit programs you receive and can cause tax consequences. Please consult with your program case worker or the appropriate agency or tax advisor for benefit-related or tax-related questions or concerns. **BSNC cannot offer advice about this.**
 - Applicants must agree to keep documentation of the expenses that are paid with, or reimbursed by, these one-time payments for a minimum of five years and, if requested, must assist BSNC during that period by providing copies of the documentation or any information needed to verify the expenses. **Failure to do so may result in the Shareholder being responsible for reimbursement of funds received.**
 - Approved payments are expected to be direct deposited on Dec. 7, 2021 (barring any unforeseen interruptions) or mailed in check form to the address on file with Shareholder Records. Please check the “change address” box on the application if you need to update your address on file.
 - Direct deposit is only available if you have a MyBSNC account set up. Please register for direct deposit through the MyBSNC shareholder portal at <https://shareholder.bsnc.net/home>.
