BERING STRAITS NATIVE CORPORATION

1984 Annual Meeting

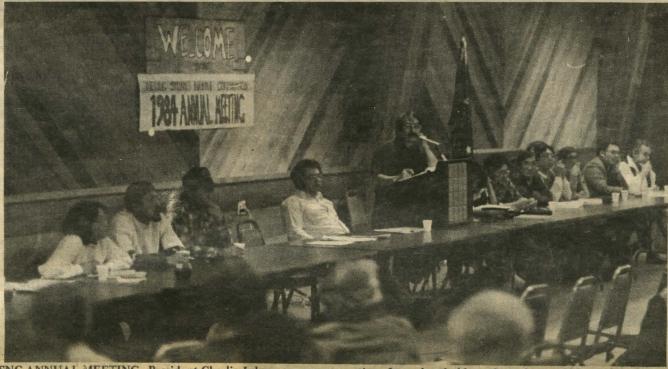

oard returns to 15 members

in the November 3rd Annual Meeting was by far the best we ever had, 'said BSNC President Charlie Johnson. Of the 6,540 shareholders enrolled in BSNC, approximately 65% participated in person or by proxy.
At previous annual meetings an

average of 52% of the shareholders took part. Shareholder Registrar Helen Bell reported that a quorum was established two days before the 1984 meeting. In past years a quorum was usually not met until the day of the meeting.

The strong voter turn out is credited to the great interest in the structure of the BSNC Board of Directors. The recommendation to restrict the BSNC tion to restructure the BSNC Board of Directors came about as a result of the Village Corpora-tions Boards of Directors Meeting held in Nome in January of 1983. At that meeting, the village corp orations requested a change in the election procedure so that each village would elect at least one director to the board. The change was brought up for a vote at the 1983 annual meeting. Eighty percent of the voting BSNC shareholders approved the changes to the articles of incorporation & bylaws which expanded the board of

directors from 15 to 24 members. However, a change in the articles of incorporation requires the approval of 2/3 of ALL the shares entitled to vote. So the amendments to the articles of incorporation were again voted on at the 1984 meeting held on Saturday, November 3rd in Nome's Convention Center. Even though the shareholders voted four to one in favor of the change, the required 2/3 approval of all shareholders enrolled to BSNC was not reached. Since the amendment did not pass, a motion was unanimously approved to return to the old bylaws which called for a 15 member board of directors elected at large by cumulative voting. Since five of those directors still have unex pired terms, a special meeting to elect ten directors will be held within 120 days. Of the ten seats to be elected five are for two year

The Special Meeting of Shareholders to elect the ten board members will be held on Saturday, February 23, 1985 at 10 AM in Nome's Convention Center. A proxy statement and proxy card will be mailed to all BSNC shareholders in early January 1985 (Read the ad in this issue for more details on the Special Meeting of Shareholders).

In other business, President Johnson reported that the corporation showed a \$4 million loss in the period from July 1, 1983 through June 30, 1984. This loss was expected. It stems from two major sources: the interest on the debt owed to the villages and the losses incurred by sale of real es-

Notice of Special Meeting of Shareholders Saturday, February 23, 1985 10:00 AM Convention Center

Nome, Alaska

This Special Meeting of Shareholders is called for the purpose of electing ten of the fifteen seats on the BSNC Board of Directors. Shareholders who are at least 18 years old and who wish to run for a position on the board are requested to send a letter of intent, including their current address phone number and a resume listing qualifications to:

> Nominating Committee P.O. Box 1008 Nome, Alaska 99762

All letters of intent are to be postmarked no later than December 7, 1984 and received in Nome no later than December 12, 1984.

EDITORS NOTE: The ten seats up for election at the Special Meeting of Shareholders are those currently held by Bill Barr, Frances Degnan, Richard Foster, Henry Ivanoff, Paul Johnson, Norman Menadelook, Vernon Olson, Tessie Peoples, John Pullock and Blanche O. Walters.

Village participation in AFN's efforts to address 1991 and the restructuring of AFN to provide greater village representation will begin in December with meetings to be held in each of the 12 regions. The meeting for the Bering Straits region will be held in Nome on Wednesday, December 6 1984 at the Nome Eskimo Community Hall at 10 AM. Representatives from all the village corporations and IRA Councils have been invited to attend the meeting which is being hosted by AFN, BS NC and Kawerak, Inc. The purpose of the meeting is to choose 5 people to participate in AFN's statewide village conference to be

held in Anchorage on January 30 and 31, 1985.

According to BSNC President and AFN Chairman Charlie Johnson, "AFN, BSNC, and Kawerak are attempting to ensure that the villages and shareholders participate in the decisions that are made to change the Land Claims Act (ANCSA) for 1991. We feel that this process will give the villagers more meaningful participation at the AFN Convention. At this meeting, we hope to review the proposed resolutions that will be brought to the villages and to the AFN Special Convention in March."

From the President's Desk

By Charles Johnson President of BSNC

AFN and 1991

The 1984 AFN Convention highlighted the effort to change the Land Claims Act to meet our needs and desires. It had "Unity: Key to Survivas its theme. While AFN has been recognized as the political voice of Alaska's Native people there is no direct way for village IRA's or corporations to be involved in the annual convention or on the board of direct-

Presently the board of AFN is made up of representatives of the 13 regional profit corporations and 11 non-profit corporations. At the convention each regional profit and non-profit is allowed a number of delegates according to enrollment size. Each region chooses its delegates to the convention.

In our region, BSNC appoints its board of directors, one representative of each village corporation and fills out its 37 delegate list with the board from Sitnasuak and any other villages that expect to be there. Kawerak does much the same thing in appointing its board, which is made up of IRA and traditional council representatives. In addition, Kawerak appoints a person from each village council as one of the delegates to the AFN Convention. Thus we have directly involved our village IRA's, traditional councils and village corporations in the AFN process.

However, every region does not follow the same process of appointing delegates. It is generally felt that we should formalize the direct participation of the villages in AFN. The AFN board of directors has recognized this need for some time now. In 1982, the statewide Association of Villages was invited by AFN to submit a proposal on how to directly involve the villages. Again, prior to the convention, the board of AFN appointed a special committee to meet with villages to come up with a plan to broaden the base of involvement particularly with the coming changes of 1991 on the horizon.

Presently, the plans are for each region to hold a regionwide meeting of villages. At those meetings, the villages of each region will choose 5 delegates to a statewide meeting of villages which will convene in Anchorage on January 30 and 31 1985. Out of that meeting will come a delegation of village people to work with the AFN board on the 1991 iss-

Additionally, each region, along with AFN, will hold meetings in as many villages as possible before the special convention in March to go over the 1991 proposals. It is generally felt that as many of our people as possible are needed to review and if necessary, change the resolutions before the AFN convention adopts them and sends them to Congress after the March convention.

One thing is clear, if we are to make changes in the Land Claims Act before 1991 it will take a united effort of all Alaska Natives; profit, nonprofit, and village corporations, IRA's; traditional councils; EVERY-ONE.

BSNC plans to visit every village to discuss these resolutions and obtain input from the shareholders on the future of their corporations. In addition, a series of meetings have been scheduled by AFN in Nome and Anchorage to insure village participation in the preparation of these important amendments to ANCSA. Scholarships awarded

The BSNC Scholarship Committee met in late August to review applications for the Martin L. Olson Scholarship Fund. After much discussion, the Scholarship Committee recommended to limit the award to two shareholders at \$750 each. The reason for this action is that the limit will allow the principle to grow over the years. As a result, the committee will be able to grant more awards to more shareholders in the fut-

For the '84/85 school year, the Scholarship Committee decided to award the Martin L. Olson Schol-arship to Nina Jane Aukongak of Golovin and Dorothy A. Komak-huk, an at large BSNC sharehold-

Nina is in her freshman year at Alaska Pacific University in Anchorage. She is working toward a degree in business management and accounting. Dorothy is a sophomore majoring in business management at the University of Alaska in Fairbanks. BSNC pleased to be able to financially assist these two shareholders with their college education.

BSNC is very proud of all the shareholders who are working to further their education. Your personal achievements will not only benefit you but the region as a whole. Keep up the good work!

If you are interested in applying for a Martin L. Olson Scholarship for the '85/86 academic year write to BSNC Box 1008, Nome, Alaska 99762. The program is open to shareholders of BSNC.

At the October convention AFN was directed by the delegates to organize a village steering comittee to work with AFN on proposed amendments to the Alaska Native Claims Settlement Act. (These amendments were discussed at length in the 1991 supplement in last month's AGLUK-TUK). Another convention resolution calls for a restructuring of AFN to give the villages greater participation in AFN work.

At a meeting of AFN's Land Claims Board on November 7th, the regional corporation representatives set up a process for carrying out those resolutions. That plan calls for the formation of a Village Steering Committee to work with AFN on both 1991 and AFN restructuring. The committee's make-up will be decided, and its members selected at the statewide conference in late January at the Anchorage Sheraton Hotel.

This was the first BSNC Annual Meeting that Harold Anderson did not serve as an election judge. Harold was commended for the

outstanding job he did for BSNC. Board Member Bill Barr was thanked for translating throughout the meeting for the benefit of the elders. The translating idea was suggested by Carl Toshavik of Unalakleet.

Catherine and Roy Tobuk were congratulated on the success of the BSNC potluck held the night before the annual meeting.

"ONE RUSTY CAN CAN COST US A BOWL OF BERRIES"-Dan Karmun addressed the importance of preserving the land and resources at the Statewide Elder's Conference.

A word of thanks

Dear BSNC Scholarship Committ-

Thank you very much for awarding me the Martin Olson Scholarship. I feel honored to have been chosen. I appreciate it especially in the manner in which you received my application.

I'm sorry it took so long for me to reply. Studying monopolizes all my time. Thank you again.

Sincerely, Dorothy A. Komokhuk

LET'S VOTE YES Delegates Perry Mendenhall and Caleb Pungowivi sift through the many AFN resolutions.

The villages in each regional arec may send as many people as they want to the statewide conference, but only five people from each area will be designated spokesmen. At the January meeting, the 60 village representatives will decide the make-up of the steering committee and name members to it. In addition, the conference participants will receive an update on 1991 work and plans for a special 1991 convention in March. and review the budget for the 1991 education effort. After the January meeting, the Village Steering Committee will work closely with AFN in the 1991 work and AFN restructuring.

ements on behalf of BSNC: The Bering Straits people have recognized as the most beau-

VALUABLE ASSETS-William Walluk, summer accounting intern, and Jerry Dickson, summer building superintendent, model jackets given to them as going away presents from BSNC. This month Jerry is interviewed as our feature employee.

Twenty-three year old Jerry Dickson has a lot of energy. Can you imagine keeping 266 windows, 26 offices, four bathrooms and 2 drinking fountains in a clean enough state to satisfy 60 people? In his friendly and pleasantly smooth manner, Jerry Dickson was able to accomplish this task in his summer job as building super-intendent of the Bering Straits Building in Nome. The building is owned and occupied by BSNC. Kawerak, Inc. is the tenant renting about two thirds of the building.

In fact, the Kawerak staff was so impressed with Jerry's ability that he was named their "Employee of the Month". Kawerak President Caleb Pungowiyi pointed out that "Jerry did exceptionally well in keeping our offices clean, has assisted our staff when requested. . .Such performance should not go unrecognized and we want to thank him for a job well done.

The feeling is mutual. When asked if he enjoyed how he spent his summer vacation, Jerry replied that, "It's great here. Working with all of these people is interesting Everyone is really nice. It's a super place to work.

Jerry left BSNC in September to return to his junior year at the University of Oregon at Eugene. His major is in Business Administration with a concentration in Management. He is presently considering a minor in accounting. His first two years of college were spent at the Alaska Pacific University in Anchorage.

Born in Nome, Jerry is the youngest of the five children Charlie and Reba Dickson. His sister, Shirley Mocan, and brother Bob and Charlie Jr. live in Nome. An-

other sister, Tina Johnson lives in Girdwood.

After graduation from the Nome Elementary School, Jerry entered Nome-Beltz High School in 1975. In his sophomore year, Jerry made the varsity basketball team. He remained a member of that team until his graduation in 1979. The Beltz team took 2nd place in the region for two years in a row. Even though the team placed a respectable 3rd in Jerry's last season, 1979 proved to be a banner year for the talented player. In addition to being a member of the All Star Team, Jerry also won the free throw championship. It is not surprising that Jerry served as the varsity team captain and was voted by his teammates as

Mr. Nanook Basketball of 1979. It has been five years since he graduated from Nome-Beltz and Jerry is still a basketball fanatic. The Polaris basketball team, of which he is a member, took first place in the 1984 Iditarod Basket-ball Tournament held annually during March in Nome. "That tournament was the high point of the last year," he is quick to point

So how does building maintenance, basketball and college fit together in Jerry's present situation? From them he has learned that being organized, developing leadership skills and getting an educa-tion can enable him to do what he wants. "I want to get a college degree and become a good, successful businessman " explains
Jerry. "I want to get some Outside business experience and bring it back with me to Alaska. That way you are not always wondering what's out there.

MEETING WITH KING ISLAND-BSNC Land Manager Guy Martin discusses land with King Island Native Corporation board members Mike Saclamana, Charlie Kokoluk, Edward Muktoyuk, John Taxac, Gabriel Muktoyuk, Paul Tiulana and John Pull-

By Good Guy Martin, Village Land Manager

On November 13, 1984, an informational meeting was held at the King Island Hall in Nome. The purpose of the meeting was to introduce to the King Island Com-munity the State Municipal Lands Trustee Program.

Shareholders of the King Island Native Corporation along with the King Island Native Community were introduced to Rick Elliot, the Program Manager for the Mun-

icipal Lands Trustee Program.

The meeting was "brought to order" by the King Island Dancers. They played the "Welcome Dance" and others. After the dan-cers were finished, President Mike Saclamana introduced Dan Fondell, Vice President of Land & Resources, BSNC; Guy Martin, Village Lands, BSNC; and Rick Elliot.

Mr. Elliot gave a presentation on "What Is An Appropriate Village Entity?" He also explained what the Federal and State law were and how they interact with Native Corporations, Native Community and the Municipal Lands Trustee Program.

Dan Fondell of BSNC then gave information on the land status of the King Island lands. Guy Martin stated that this meeting was an informational meeting and that future meetings were needed. Mr. Aloysius Pikonganna and Mr. Mike Saclamana provided most of the interpretation for the meeting. The King Island Community was thanked for the great singing and dancing.

SO VERY PRETTY--Gloria Pushruk, Miss World Eskimo Indian Olympics, gave a moving performance at "Quiana Alaska" in the Sullivan Arena.
